CHAPTER TEST

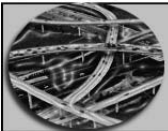

1. How would you respond to receiving a call from a motorist wanting information on how to obtain some of the wildflowers located alongside I-85?
 - a. Offer your apologies but explain that is not part of TMC's purpose
 - b. Provide them with the District Engineer's number for the appropriate district
 - c. Look up and provide them the number for the state wildflower program
 - d. Explain that the flowers are wild and they may take some

2. How would you respond to a caller requesting information on obtaining new vehicle tags?
 - a. Explain that the TMC does not handle vehicle tags but you can provide them with the telephone company information number
 - b. Tell them to call any State Police Post
 - c. Tell them that the Dept. of Motor Safety handles tags and provide them the number
 - d. Explain that the Department of Revenue or their Local Tax Commissioner handles vehicle tags and provide them with a number

3. How would you respond to a motorist requesting information on a subject you know nothing about?
 - a. Explain that you do not know and apologize
 - b. Explain that you are not sure but that you will be happy to research the request and get back to them. If they agree, ask them for their phone number and ensure that you or your supervisor does, in fact, return their call
 - c. Provide them with the States Information Hotline number
 - d. Provide them with your best guess

4. How would you respond to a motorist requesting information on obtaining a Cruise Card for the Tollway?
 - a. Explain that the GA 400 is a private enterprise and they may look the number up in the phone book
 - b. Provide them the phone number for the Cruise Card Center
 - c. Explain that there is no specific center for this, but provide them the number for the Toll Plaza
 - d. Explain that there is no Cruise Card in place, but there are plans for one in the future

CHAPTER 11

TELEPHONE NUMBERS

5. How would you respond to a trucker who calls and explains that he is on I-75 just coming into the state from the South and requests information on the next weigh station?
 - a. Explain to him/her that if he/she was okay in Florida he/she should be okay in Georgia
 - b. Tell him that the next weigh station on I-75 heading North is at milepost # __ and the telephone number is __
 - c. Explain that weigh station information can't be passed out over the telephone
 - d. Explain that the weigh stations are run by the Department of Public Safety and provide him their number
